MILES is diligently preparing survivors and their families, along with the general public, new ways of learning to live with brain injuries. One of our next BIG adventures for our state's citizens is, we are bringing a whole new way of transportation for our TBI, Disabled and Elderly! We are asking for your financial support. MILES will be needs your help, PLEASE consider making a contribution to offset the expense of this project. For your convenience, you may return this form in an envelope along with a check payable to **MILES Corporation..** We hope you and your friends will know just how many lives you will touch in helping us help them! \* ZACH'S HOUSE is having event sales, i.e., bake sales, furniture, sales, clothing, arts and crafts, throughout the year to help in the fund raising. We are asking if you could donate to this project, please call, Tarrish Rivers at the below number. All donations are tax deductible. MILES is a 501 C 3 Non-Profit Organization.

Also, as we all know, March is Brain Injury Awareness month, and MILES will be *helping* to bring the walk a thon to the state once again this year! Many of our participants have asked that we move the walk out a few weeks due that the weather has been so cold for the past few years. Because of this MILES has decided to have the WALK A THON on **April 16th 2011**. The event is on the 4-lane boulevard part of Nissan Drive, from Sowell Road, north to New Ragsdale Road in Madison Mississippi. Right off HWY 55 in behind the Nissan Plant. Exit 114.

This year will be a WALK/RUN/ROLL-A-THON and from 9:00am-10:00am we will have the walk/run hour then after this we'll have the Wheelchair/Hand Cyclist come in at 10:00am-11:00am.

This is Statewide Community Fun! Grab your family, friends and come join in the fun! Hope to see you there. **April 16th 2011**. Please consider making a contribution to offset the expense of this event. For your convenience, you may return this form in an envelope along with a check payable to **MILES Corporation**.
